**DEPARTMENT:** Administrative Services

**AUTHORIZED BY:** Frank Raymond

**CONTACT:** Bob Hunter

**EXT:** 7119

**MOTION/RECOMMENDATION:**

Approve an increase to the Board approved Estimated Annual Usage for PS-0984-06/TLR - Regional Stormwater Facilities (RSF) Treatment Efficiency Monitoring and Assessment Master Agreement by an additional \$125,000.00 per year.

County-wide

---

**BACKGROUND:**

PS-0984-06/TLR provides for the analysis of pollutant removal efficiencies for the County's Regional Stormwater Facilities, which is a requirement of the FDEP Florida Forever 319 and other state funding and grants. On July 25, 2006, the Board awarded this work order based Master Agreement to Environmental Research & Design, Inc. of Orlando, Florida.

Since the award of this Agreement, an unanticipated grant was received in September 2007 from FDEP (Grant #S0341) to conduct efficiency monitoring for three (3) regional stormwater facilities (RSF): Navy Canal, Elder Creek and Cameron Ditch. The efficiency monitoring for these projects requires simultaneous implementation versus the approach that had been originally planned, which had been to stagger projects over a period of years as funding became available. The Roads-Stormwater Division of Public Works has requested an increase to the Estimated Annual Usage due to the need for implementation of all of these projects in 2008, in addition to the originally scheduled program of work. The backup documentation includes a copy of the FDEP Grant # S0341 for information.

The following is the summary of the Estimated Annual Usage for the Agreement:

Original Board Approved Estimated Amount	\$350,000.00
Requested Increase per year	\$125,000.00
Revised Board Estimated Annual Amount	\$475,000.00

Work will be ordered through Work Orders as required, and funded within approved budget amounts.

**STAFF RECOMMENDATION:**

Staff recommends that the Board approve an increase to the Board approved Estimated Annual Usage for PS-0984-06/TLR - Regional Stormwater Facilities (RSF) Treatment Efficiency Monitoring and Assessment Master Agreement by an additional \$125,000.00 per year.

1. The Grantee does hereby agree to perform in accordance with the terms and conditions set forth in this Agreement, **Attachment A, Grant Work Plan**, and all attachments and exhibits named herein which are attached hereto and incorporated by reference. For purposes of this Agreement, the terms "Contract" and "Agreement" and the terms "Grantee", "Recipient" and "Contractor", are used interchangeably.
2. This Agreement shall begin upon execution by both parties, and end no later than sixty (60) months, inclusive. The Grantee shall not be eligible for reimbursement for work performed prior to the execution date of this Agreement. This Agreement may be amended to provide for additional services if additional funding is made available by the Legislature.

The parties hereto understand and agree that this Agreement does not require a cost sharing or match on the part of the Grantee. If the Grantee finds, after receipt of competitive bids, that the work described in **Attachment A** cannot be accomplished for the current estimated project cost, the parties hereto agree to modify the Grant Work Plan described in **Attachment A** to provide for the work that can be accomplished for the funding identified above.
  - B. The Grantee shall be reimbursed on a cost reimbursement basis for all eligible project costs upon receipt and acceptance of a properly completed **Attachment B, Payment Request Summary Form**. In addition to the summary form, the Grantee must provide from its accounting system, a listing of expenditures made under this Agreement. The listing shall include, at a minimum, a description of the goods or services purchased, date of the transaction, voucher number, amount paid, and vendor name. When requested, this information must be provided within 30 calendar days of such request. The Grantee may also be required to submit a cost allocation plan to the Department in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits). All bills for amounts due under this Agreement shall be submitted in detail sufficient for a proper pre-audit and post-audit thereof. State guidelines for allowable costs can be found in the Department of Financial Services' Reference Guide for State Expenditures at <http://www.fldfs.com/aadir/reference%5Fguide>.

4. The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. The parties hereto understand that this Agreement is not a commitment of future appropriations.

The Grantee shall utilize **Attachment C, Progress Report Form**, to describe the work performed, problems encountered, problem resolution, schedule updates and proposed work for the next reporting period. Quarterly reports shall be submitted to the Department's Grant Manager no later than twenty (20) days following the completion of the quarterly reporting period. It is hereby understood and agreed by the parties that the term "quarterly" shall reflect the calendar quarters ending March 31, June 30, September 30 and December 31. The Department's Grant Manager shall have ten (10) calendar days to review deliverables submitted by the Grantee.
6. Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of Section 768.28, Florida Statutes.
7.
  - A. The Department may terminate this Agreement at any time in the event of the failure of the Grantee to fulfill any of its obligations under this Agreement. Prior to termination, the Department shall provide thirty (30) calendar days written notice of its intent to terminate and shall provide the Grantee an opportunity to consult with the Department regarding the reason(s) for termination.
  - B. The Department may terminate this Agreement for convenience by providing the Grantee with thirty (30) calendar days written notice.
8. This Agreement may be unilaterally canceled by the Department for refusal by the Grantee to allow public access to all documents, papers, letters, or other material made or received by the Grantee in conjunction with this Agreement, unless the records are exempt from Section 24(a) of Article I of the State Constitution and Section 119.07(1), Florida Statutes.
9. The Grantee shall maintain books, records and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. The Department, the State, or their authorized representatives shall have access to such records for audit purposes during the term of this Agreement and for five years following Agreement completion. In the event any work is subcontracted, the Grantee shall similarly require each subcontractor to maintain and allow access to such records for audit purposes.

  - A. In addition to the requirements of the preceding paragraph, the Grantee shall comply with the applicable provisions contained in **Attachment D, Special Audit Requirements**, attached hereto and made a part hereof. **Exhibit 1 to Attachment D** summarizes the funding sources supporting the Agreement for purposes of assisting the Grantee in complying with the requirements of **Attachment D**. A revised copy of **Exhibit 1** must be provided to the Grantee for each amendment which authorizes a funding increase or decrease. The Grantee agrees to be responsible for the fulfillment of all work elements included in any subcontract and agrees to be responsible for the payment of all monies due under any subcontract. It is understood and agreed by the Grantee that the Department shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.
- B. The Department of Environmental Protection supports diversity in its procurement program and requests that all subcontracting opportunities afforded by this Agreement embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State of Florida.
